

Vienna Tidbits:

Where will we live?

This has been the most prolific question we have been asked this last month. We will be staying in temporary apartments for the month of July while we search for permanent housing in District 22.

Prayer Requests:

Move and transition to Vienna.

Family and friends as we depart.

Hensal Family—Josh's Grandfather Bob Feese passed away.

FUNDRAISING STATUS

As our team transitions from full-time fundraising and our internship at MRCC to living on the field, we are so blessed and grateful for all the support we have received and praise God for He is good and will supply all our needs!

Several individuals and the 2nd and Adams Church of Christ in Elk City, OK have partnered with us this month to COMPLETE our one-time relocation needs and support our work fund. The Frazier Foundation we mentioned last month will meet later this year, and that request has been changed to help support our work fund for the end of this year and next. Continue to pray that the Frazier Foundation will grant that request.

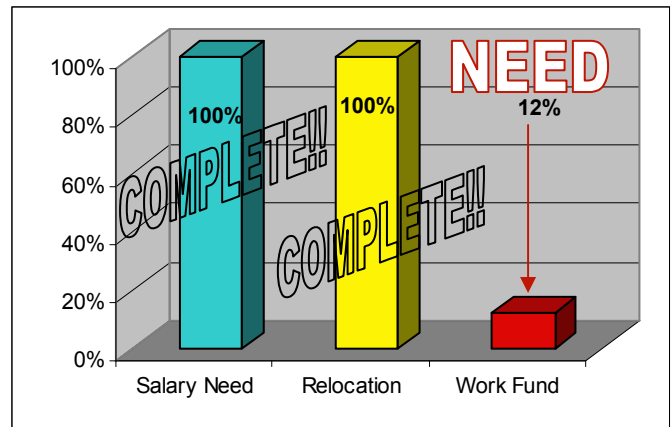

We would like to take this opportunity to encourage you to pray and consider supporting our work if you are not already. God has provided us with the ability to move and live in Vienna and now our prayer is that we will have the funds necessary to work in Vienna. We ask YOU to pray

LIFE'S ABOUT PEOPLE ... LIKE GRANDPA

During the month of June, we spent time visiting family and friends in Woodward, OK, Denver, CO, and back here in Edmond, OK. These visits centered around people—people very dear to us. In these special moments God reminded us of the great blessings we have in Christ as a part of His family. The relationships represented in these places were strengthened during our time together as we laughed, dreamed, and cried. We thank God for the time He provided us with each person and would have loved to have seen even more people.

One of the people we were blessed to spend time with was a man named Bob Feese, my grandfather on my mom's side. This man has spent his life serving his family, God's church, and other people. Grandpa is one of those people you just enjoying spending time with because your life is a bit brighter and fuller just from knowing him. I would compare him to Onesiphorus, a not-so-well-known character in the New Testament. Paul mentions and prays for a blessing on Onesiphorus and his household early in his final letter to Timothy. Like Onesiphorus, Grandpa Bob refreshed people

by seizing every opportunity to meet others' needs.

Recently, the doctors have discovered widespread cancer in Grandpa's body, and they cannot do much to fight it. As our family shares memories of Grandpa's life and as we consider the legacy he has left behind, we thank God that He gave us such a wonderful grandfather, father, husband, friend, and servant of Christ. Because of his influence and example, we see the world a bit differently, serve more diligently, and love more deeply. For those who have had the opportunity to meet my grandfather, you have experienced a great blessing.

While this is obviously an extremely difficult time for our family, God has neither abandoned nor forgotten us. He has worked through His people, including some of you, to provide for our needs. To those of you who have offered prayers, visited, sent cards and food, we thank you from the bottom of our hearts. In many ways, you have been an Onesiphorus to us—just as perhaps Grandpa has been to you. ~ Josh

Our family and team covet your prayers.

"We proclaim him, admonishing and teaching everyone with all wisdom, so that we may present everyone perfect in Christ. To this end I labor, struggling with all his energy, which so powerfully works in me." ~ Colossians 1:28-29
